# A Journey Made by You

# TEATRO E MARIONETAS DE MANDRÁGORA

Teatro e Marionetas de Mandrágora is a professional puppet theater company, founded on 2 April 2002, directed by **Clara Ribeiro** and **Filipa Mesquita** and **enVide neFelibata** as art direction.

■ In the symbiosis of a symbolic language that combines heritage and traditional legacy with the contemporary society's thinking and dynamics, in a dialogue that's not always peaceful, a fundamental element emerges: the puppet — the tool used in our quest for our own cultural identity.

■ Our goal is to discover the puppet's own aesthetic, visual, scenic, and dramatic potential, as well as in the relation between actor and puppet. In this experience, we intend to find our own identity-based dramaturgy: the one that explores culture, belief, and folklore combined with the urban area, the technological exploitation and the global village's fast pace.

■ Throughout our artistic journey, we created a wide range of proposals, both in terms of audiences (adults, youngsters schoolchildren, families) and in terms of training (basic and specialized).

■ One of our major commitments is touring our projects, through the country and abroad. We constantly concern on decentralization, community work, partnerships, social and inclusive enhancement.

■ For over two decades, the Company firmly established itself as a contemporary artistic creation structure by putting on a wide range of shows. Some creations our own, others resulted from partnerships with national and foreign cultural structures and entities.

■ Our team has always had space to freely create according to each other's

language and vision, converging to develop and enrich the puppet theater's art.

■ Our Company focuses on social vulnerabilities but also traditions and heritage through different but converging sights. Dialogue with all different audiences, blend our creations with sites and spaces, intersect with partner entities and structures is essential for creating multidisciplinary projects that prioritize communication with spectators.

■ We would like to highlight our collaboration with numerous educational service teams while implementing our education activities program in institutions such as monuments, museums, and landmark buildings.

■ *Teatro e Marionetas de Mandrágora is supported by República Portuguesa - Cultura, Juventude e Desporto / Direção-Geral das Artes, Município de Espinho / Museu Municipal de Espinho e Município de Gondomar. The structure is based at FACE - Fórum de Arte e Cultura de Espinho and headquartered in Gondomar.*

## EXHIBITION

Over the years, the Company has carried out a range of activities, from shows and workshops to collaborations, which have enabled it to build up a vast collection. We realized that it was necessary to showcase this collection, both for the Company, in terms of promotion and publicity, and for the public, who have always been incredibly supportive.

Whether for recreational, educational, or artistic reasons, exhibiting our work is an integral part of our intention to showcase the many facets of puppet theater that accompany the presentation of our creations in the context of a show.

# RELATIONSHIP

## **Discoverers**

*emotions running high, where nothing is what it seems and everything is exactly as it appears*

rocking show × target audience : all audiences × duration : 00h45

“Discoverers” is a journey of sensations through a new land brimming with hopes, sounds and images, where every day brings fresh discoveries. The birth of a child and the first months and years of life are a constant process of discovery. An encounter with people and customs that are always new. We explore the motherhoods of symbolic mothers (from Portugal, Brazil, Africa, India, Timor and China) and their ways of rocking, caressing and being with their babies; we explore their babies, their roots and traditions, colours, smells, glimmers and sounds; we explore the essence of motherhood, drawing on elements from these regions.

More than applause, more than criticism, they watch, listen, absorb, interact, intervene, are amazed, get angry, laugh and sometimes cry. These are raw emotions where nothing is what it seems and everything is exactly as it appears!
